## ABOUT ME

---

Full Stack Developer. Strong skills in communication, organization and collaboration. Fluent in English and Spanish.

## WORK EXPERIENCE

---

03/2021 - Present  
Arco Data Design | Brooklyn, Remote  
**Frontend Engineer**

Provided custom software solutions, including a React UI using hooks and RTK for state management. Actively participated in code reviews. Crafted a full UI/UX redesign of a legacy application.

01/2021 - 07/2021  
Femmecubator | NYC, Remote  
**Software Engineer Volunteer**

Volunteered at a small agile non-profit startup that works to break the entrance barrier for women in tech. Participated in pair programming, accessibility testing of features and unit testing.

2017 - 2020  
Hello Smile Pediatric Dental | Queens, NY  
**Dental Assistant**

Assisted Dentists and Surgeons in a variety of dental procedures at locations in underserved communities.
